CONTENTS

DECEMBER 1983 VOL. 8 NO. 12

FEATURES

- Olympic EMS . . . Another Game? 24**
EMS planning for the Olympics has international significance. The Olympics are more than sporting events, more than mass gatherings. Examined is the preparation for health care delivery at the 1984 summer Olympics in Los Angeles — *by Eddi Cohen*
- Mass Gatherings
The Experts Share Insights 26**
Experts are emerging on EMS at mass gatherings as a new industry develops; various operations share their views and experiences — *by Richard Batyko*
- Clinical Corner:
Is the Honeymoon Over? 32**
One of the nation's most respected emergency physicians and EMS educators begins a series of clinical articles aimed at EMTs and paramedics. The first is an editorial overview of EMS — *by Ronald D. Stewart, MD*
- Carry-In Equipment —
Part 2: Soft Packs and Rescue Packs 39**
More frequently used than any other single piece of equipment, "jump kits" take on a special significance in EMS. Thom Dick continues his evaluation of jump kits with a look at soft packs and rescue packs — *by Thom Dick*
- The Holiday Depression Syndrome 50**
Holidays and anniversaries have an intensifying effect on depression, and may contribute to suicide attempts. EMTs and paramedics can play an important role in preventative measures — *by Keith Neely*
