CONTENTS

JUNE 1984 VOL. 9 NO. 6

Features

- 30 Understanding the Fire Service** BY JAMES O. PAGE—The way in which the fire service regards EMS can be traced to the roots of tradition in fire suppression.
- 38 Fireman, Save My Child** STAFF REPORT—Can the popular image of the brave and resourceful firefighter who extracts victims from danger extend to a role in EMS?
- 41 Case Studies** STAFF REPORT—The strengths and weaknesses of fire service EMS are revealed through reports on five communities.
- 46 Fire Chief vs. Medical Director** BY MICHAEL FRANK, MD—Even today, some firefighters maintain they don't really need a medical director—after all, they have their Chief.
- 56 Firefighting Skills for EMTs** BY MARK J. COTTER—Basic knowledge of fire suppression skills can be helpful to any EMT.
- 58 Viewpoint**—Eight essays explore the relationship between the fire service and emergency medical services.
- 67 Quality Control** BY ROBERT SMALL, MD, ET AL.—Creative management, community support, and a commitment to accountability ensures quality patient care.
- 72 Profiles: Defining Fire Service EMS** BY BRADLEY H. SMITH—There are several dozen ways fire departments provide EMS, but economics and experience are reducing the options.
- 78 Terminal EMS: Computers Move from Innovation to Indispensable** BY ERIC HUTCHINS—Computers are no longer expensive "toys" but essential tools in data management.
- 81 Re-Using Body Parts** BY STEVE SCARANO—EMTs can make an important difference in whether an organ will survive for transplantation.

Columns

- 21 Current Research** by *Erich Daub* — Prehospital Bretylium use; Freestanding emergency center survey; Prehospital pediatric cardiac arrest; CPR improvements
- 24 Around the Nation** by *Tom Vines* — Researchers find possible AIDS agent; Two new vaccines for Hepatitis B; Virginia creates registry for head injuries; New Jersey expands phone network; Self-propelled mobile hospitals; Injury facts
- 27 Tricks of the Trade** by *Thom Dick*—Traction with a Twist
- 91 Interface** by *Jack Stout*—Fire service EMS as a Public Utility, by guest columnists *Anthony Meyer and Frank Heyman*
- 102 The Publisher's Page** by *Jim Page*—It's in the Blood

Departments

- 4 Editorial**—Loyalty, Rivalry, Controversy
- 6 Letters to the Editor**
- 11 Guest Comment**—High Angle Rescue by John Wolford
- 12 Inside EMS** — Paramedics and Hepatitis B; Santa Ana to move paramedics out of fire department; ACEP sets position on medical and scene control, and categorization; Voluntary standards for EMS; Microcomputer use in EMS; Mini-van conversions
