Overview

## The EMT Oath

I am pledged as an Emergency Medical Technician, I will honor the physical and judicial laws of God and Man. I will follow the ten commandments which, according to my ability and judgement, I consider to be the benefit of patients and abstain from whatever is deleterious and mischievous, nor shall I suggest any such course. Into whatever homes I enter, I will go into them for the sick and injured, never revealing what I see or hear of the lives of men unless required by law.

I shall also share my medical knowledge with my fellow EMTs and learn from what I have learned. I will serve my community continuously in order to help make a better world.

While I continue to keep this oath unviolated, I will strive to do my best to me to enjoy life, and to the benefit of the community in all times and in all places.
