CONTENTS

AUGUST 1983 VOL. 8 NO. 8

FEATURES

- Infection Control:**
EMS Reacts — and Overreacts — to the AIDS Panic 24
 The AIDS scare of recent months has reopened discussion of health maintenance practices of prehospital providers. The facts about AIDS and other health threats for emergency workers are presented, as well as guidelines on minimizing the threats — *by Brad Smith*
- Updrafts:**
New Rx for Respiratory Distress 31
 Field use of updraft treatments for respiratory distress are discussed, based on the experiences of an Oregon farming community — *by Greg Thrall, EMT-III, Dean Ewell, RT, and S. Freedman, MD*
- Fund Raising:**
Opportunity or Hassle? 34
 All volunteer organizations rely on fund-raising events for their survival. Such events are approached with a mixture of fear and excitement. Fund raising is reviewed with a focus on turning the hassle of fund raising to opportunity — *by Barbara Hunter*
- Guidelines for Successful Foundation Fund Raising** 36
 With the virtual elimination of federal funding for EMS, foundations have become even more popular as sources of EMS funding. An approach to securing foundation grants is presented — *by Jari Foster Pulford*
- A First Response System, Rural Style** 38
 A report on the birth and structure of a rural first response system — *by Nancy J. Johnson*
