JANUARY 1986 VOL. 11 NO. 1

## Features

- 27 **Rural Rescue, Tractor Rollovers** BY MICHAEL G. SMITH AND RAY ANDREWS. With one third of all farm fatalities involving tractors, it is important to understand the basic tractor types and what must be done to stabilize them prior to a rescue.
- 31 **EMS in the U.S.' 100 Most Populous Cities** STAFF REPORT. This update of our 1981 report identifies new cities and new trends in primary provider service.
- 38 **Service of the Year, Exceptional EMS in Oregon** BY JAMES O. PAGE. The Eugene/Springfield service received the Leo Schwartz EMS Service of the Year Award, and not without merit.
- 46 **1986 Master Calendar** The conferences, seminars and conventions for the upcoming year are listed.
- 55 **How Many Are There? A National Inventory of EMS People, Places and Things** STAFF REPORT. Results and reports from the National Association of State EMS Directors' survey of all state EMS agencies include a state-by-state listing of the number of ambulance services in the U.S.
- 58 **State EMS Offices** Here are the state EMS directors and training coordinators that can help you answer your questions.
- 62 **Full Moon Calendar**
- 65 **Poison Control Centers** BY KATE DERNOCOEUR. With five to ten million poisonings a year in the U.S., poison control centers have reduced the number of related fatalities.
- 71 **A National Assessment** BY JAMES O. PAGE. Thirteen state EMS directors describe their achievements in 1985 and goals for 1986.
- 76 **Information Resources**
- 80 **Rhythms in Perspective** BY TIGHE ZIMMERS, MD AND YIGAL NOY, MD. Exposure to a wide variety of EKG strips is the key to accurate strip interpretation.
