Do You Believe in Magic?

Jim Page, the publisher of JEMS, is one of the most popular writers and speakers in EMS today. His new book is "The MAGIC of 3 A.M.," a brilliant collection of many of his best essays and speeches. In his classic story-telling style, Jim takes the complex issues that face every EMT, paramedic and administrator and boils them down to their essence. His book—entertaining, informative, and heart-felt—is dedicated to "those who give countless hours to training and preparation, who forsake opportunities for wealth, who disregard their own convenience and safety in caring for ill and injured people—quite often at the magical hour of 3 A.M."

■ DELUXE HARDBACK LIMITED EDITION ■

Each book is personally autographed by Jim Page. The cover is richly textured burgundy with foil-stamped lettering in gold tones. It makes a handsome addition to your library, or a beautiful gift for someone special.
