CONTENTS

FEATURES

Cold to the Core: 30
Treating the Hypothermic Patient (CEU Article)

by John Q. Webb, EMT-P
Distinguishing between mild and severe hypothermia can be just a shiver away. Contrary to popular belief, the condition can be found in even mild weather, and it always requires a gentle hand.

International EMS is 46
Called to Action

by Richard A. Bissell, PhD,
Jean Conover, RN, MBA, and
Michael Ferguson, MHA, EMT-P
Although there are numerous obstacles to establishing and improving EMS systems throughout the world, the challenge lies in working together to overcome these hurdles.

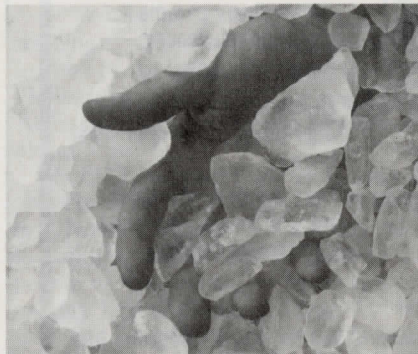

Injured Abroad: 54
How Would You Fare?

by Steven R. Hawks, EMT-I
A hypothetical trip around the globe examines the standard of prehospital care in several different countries.

EMS in Hungary 57
by Robert Garypie, EMT

EMS in the Soviet Union: 60
The Granddaddy of Socialized Prehospital Care

by Jack Stout
U.S. visitors find Soviet prehospital care

30

superior to their own in certain respects and worse in others—but always fascinating.

Impressions of 65
Soviet Medicine

by Raymond L. Fowler, MD
